WHO WE ARE.

At ITB, your cybersecurity is our priority. Since 2008, you've trusted us to secure your business, data, and people against ever-evolving threats, backed by our partnerships with leading IT providers.

Whether you're in the private or public sector, we've supported hundreds of businesses like yours across a wide range of industries, helping you stay protected.

You can count on our team of cybersecurity experts to understand the latest hacker tactics and guide you through building a futureproof strategy that fits your unique needs.

WITH ITB, YOU'RE ALWAYS ONE STEP AHEAD.

THE CYBER ESCAPE ROOM CO.

Since 2021, we've been alive and kicking disrupting the cyber security training and events markets with hands-on experiences that deliver real value.

Whether you're wanting to spice up your existing security awareness training programme or looking for a way to build engagement with your employees, we have the skills and experience to make good things happen.

The escape room scenarios in this brochure are the tip of the iceberg in terms of what we can create - our out of the box games are designed for quick turnarounds but can be customised if we have a longer lead time.

Use these ideas as a baseline to kickstart your creativity and make sure to talk to us about ideas for making your event or learning experience extra special!

THE NO-TECH SCENARIO

THE SCENARIO.

Step into Victorian London, where Hawthorne Clockworks stands on the brink of unveiling a groundbreaking invention. Disaster strikes when a ransom note arrives from "The Grey Fox". With Mr. Hawthorne urgently summoned away, the task of saving the factory falls to Dr. Watson and his eager team of amateurs.

Inside Sherlock Holmes' office, the team discovers crucial evidence locked in a safe and must work through the puzzles to identify The Grey Fox's identity. As they piece together the clues, the pressure mounts with every passing minute.

Can Watson and his team outsmart the cunning insider and safeguard the blueprints? The fate of Hawthorne Clockworks hangs in the balance.

GOOD LUCK.

THANK YOU FOR COMING IN AND RUNNING THE SESSION. EVERYONE HAD A GREAT TIME AND FOUND THE EXPERIENCE USEFUL AND FUN. THE LOOK AND FEEL OF THE COMPONENTS WAS LOVELY AND THE CHALLENGES WERE TAXING WITHOUT BEING IMPOSSIBLE, UNLESS YOU ARE ME AND HAVE NO PAPER FOLDING SKILLS. GREAT EXPERIENCE, MADE ALL THE BETTER IF YOU SUCCESSFULLY SOLVE THE MYSTERY. I WOULD RECOMMEND IT FOR OTHERS, AND I'M LOOKING AT YOUR OTHER GAMES TO RUN AT CORPORATE AWAY DAYS.

TESTIMONIALS.

THE CYBER ESCAPE ROOM IDEA IS HONESTLY ONE OF THE BEST THINGS I'VE SEEN IN A VERY VERY LONG TIME AND NOT JUST BECAUSE IT'S COMPLETELY INNOVATIVE. IT'S MASSIVELY ENGAGING AND IT'S HUGELY PORTABLE...

THE CYBER ESCAPE ROOM HAS BEEN EXCELLENT. WE TOOK IT AWAY TO GERMANY AND I HAD FIVE TEAMS OF FIVE GO THROUGH IT, ALL OF THEM THOUGHT IT WAS REALLY FUN AND MADE THEM START THINKING ABOUT THEIR SECURITY PROCEDURES.
